**Verdict**

There was good interest in this product which increased after tasting, as reviewers liked the "soft, moist" sponge the "tangy, orange" jelly with the "light, fluffy" cream, topped with "thick" chocolate. Most considered this product 'ideal to share, as a weekend treat /special occasion' and over 75% agreed it was 'better than what's out there'.

	★★★★★	60%	Great idea, plenty of tasty filling, soft moist sponge Tastes very good and very similar to the branded Jaffa cakes but better value for money Light lovely sponge, plenty of cream and chocolate, beautiful aftertaste good texture
	★★★★☆	37%	Great, light, fluffy and moist Nice and light and would be ideal for the kids Lovely overall flavour. Tastes better than Jaffa cake biscuits. Perfect for after a meal. Not too strong flavours.
