Our Story...

The Village Courtyard opened November 10, 1982. We are a locally owned, independent restaurant proud to have served millions of people for more than three decades.

A proud tradition we have upheld over the years is preparing made-from-scratch food such as our homemade soups, sauces and salad dressings. We still take the time to hand-cut and trim our premium quality steaks and chops. Our chicken and seafood items are hand-battered in our kitchen by our staff, not to mention our delicious array of desserts made the old-fashioned way, each pie crust rolled by hand.

Our staff includes both family members and dedicated employees. Most have been with us for many years, some for nearly 20 years. All are proud to be a part of the Village Courtyard family.

Without you, the customer, none of the above would be possible. We are extremely grateful for your patronage and are looking forward to serving your dining needs for many years to come.
