Planning Committee

The Planning Committee is tasked with putting together a great summit! We are asking that each delegation has at least one member on the planning committee. There is no age limit to serve on this committee.

The Committee will seek out presenters, key note speakers, and organize the schedule to be as meaningful and impactful as possible. The schedule is meant to have a theme build around the United Nations Strategic Development Goals (SDG) and a connection to the YMCA 175 event in August. More information for the United Nation SDGs can be found here:

If you, or someone you know has some great ideas that would make this summit stronger, please contact via email, Mark Barron at mark.barron@siouxyymca.org
