Directions:

1. Fold base card.
2. Fold lid.
3. Stamp sentiment in middle of white card
4. Adhere White stamped card to Green card
5. Position folded "lid" of card where sentiment card is centered, keeping the sentiment visible.
6. Place three dimensions across top of sentiment to adhere it partially to the inside of the lid. Remove the backing and press down the lid. This should give you enough room to slide the card into the present and the box lid over the card.
7. Emboss 1-1/4 x 4 green card.
8. Center 1-3/4 silver edge ribbon and tape on back of embossed green card.
9. Adhere green card to box lid.
10. Make a bow and adhere with glue dots to the lid
11. Center ribbon over DSP to line up with ribbon on lid and tape to the back of the DSP
12. Adhere DSP to base card front.
13. Cut a mini dimensional in half and place in the upper left and right corners of base card to adhere it close
14. Stamp Christmas tag image
15. Cut out tags with Christmas tag thinlit
16. Punch scallop circle from green scrap
17. Adhere the tag "Do Not Open Til Christmas" onto green scallop circle
18. Make a hole with a paper piercer and run Green baker's twine through hole.
19. Tie twine around ribbon front.
20. Adhere tag with dimensional.
21. Don't forget to stamp something cute on the envelope!
