ACCOMPLISHMENTS

Our first Benefit for the Basin was held in 2013, where we raised almost \$7,000 to benefit the Klamath County Fairgrounds. Through selling raffle tickets, sponsorships and having hundreds of classic cars registered to show at the Event Center, we raised \$41,000 in 2014. Every year since, we have been able to increase that number significantly. In 2016, we raised \$105,000. The money raised from Benefit for the Basin is spread throughout many organizations in the Klamath Basin community such as: Klamath County Schools, high school scholarships including Tulelake and Butte Valley, youth organizations, Smart Program, Friends of the Children, City of Light, Food Banks, and many other areas throughout the community.

GOALS

Through the efforts of this very ambitious group, the fifth annual Benefit for the Basin is being planned for the fourth weekend of September 2017. This year FOUR major prizes will be raffled, a 1973 MGB, a 1968 Chevy C-10 pickup, a 2017 car trailer sponsored by Line-X and a 2017 car trailer sponsored by Coldwell Banker Holman Premier Realty. These vehicles will be restored through K&D Auto Body and Black Ice Customs, with some assistance through other valuable Benefit for the Basin supporters.
