MAKING A DIFFERENCE. ONE PERSON AT A TIME

Dear Praying Friends & Supporters,

Fall 2018

God has been so good! I sent out a short video back in August, however it has come to my attention that not everyone received it. You can view it on our website [www.hayesupdate.com](http://www.hayesupdate.com). With that in mind, I will try to cover all that has transpired since this summer.

Our co-laborers, the Helton family, returned to the States this summer for furlough and to drop their oldest off at college. Their absence provided an opportunity for others in the church to step up and fill the void. It was amazing to see how God worked in each of their lives. All summer long we saw spiritual growth, responsibility taken and numerical growth as well. It was clear to see that God was preparing our congregation for the next step.

As September came it was apparent that the ministry was building momentum. We finished up the sermon series on Jonah, "Running From God", and began our current series, "Be the Church", in preparation for our Charter Service. We were about to formalize out membership as we were finally ready to take this step, having a core group of faithful attenders. Two weeks ago we had our charter service, opening up a period of a month for those who desire to become Charter Members of the Iglesia Bautista El Olivar. It has been exciting to see how people have responded to this huge step of faith.

This past Sunday we celebrated our 3rd Anniversary as a church. It was an amazing service in which God was glorified and the Gospel was clearly presented. We praise God for the 47 people we had in attendance, of which 20 were first time visitors. Please pray with us that God would bring forth fruit of those that received the seed of the Gospel. Also, pray with us as we have our Mission's Conference in two weeks.

Thank you all for your faithfulness.

In His Service,

Justin Hayes
