MAKING A DIFFERENCE. ONE PERSON AT A TIME

Dear Praying Friends & Supporters,

Fall 2017

September is always a month of beginnings. After a long and hot summer, it is always a breath of fresh air to get back to normal life and normal temperatures. Gideon and Silas had a great start to the school year. We hosted a group of six young adults, all in their twenties, who were taking a month and visiting missionaries all over Europe in an effort to cultivate a larger burden for missions. These young people were a huge blessing and encouragement to us personally and to our ministry. They were able to hand out many gospel tracts as well as perform special music on Sunday. I pray that would use them in a great way.

October and November were months of spiritual preparation for our church. We spent a lot of time teaching on missions and missions giving. We were preparing for our second anniversary as a church followed by our first Missions Conference. The day we celebrated our second anniversary was also the first time we took the Lord's Supper as a church. It was a beautiful day of fellowship as we remembered what God has done for us over these two years of ministry. The week after our anniversary we hosted our first missions conference. This was the first experience for the majority of our church attenders to spend time with a missionary and to understand how missions work is funded. The Copa family was a huge blessing to us and we looked forward to partnering with them as they reach Morrocans with the gospel.

December was for us as I am sure it is for all of you, chaotic!! We had many ministry opportunities and school opportunities to share Christ, the reason for the season. One of the great joys of the Christmas season is that people are much more receptive to talk about Jesus. Thank you so much for all that you do to enable us to live here to reach these amazing people!

In His Service,

*Justin Hayes*
